

WHAT'S FOR LUNCH THIS AUTUMN/WINTER?

Caterlink is an award-winning food service provider, catering for schools across the country.

In Brighton & Hove we are passionate about providing your children with freshly prepared school lunches that are true to Caterlink's fresh food heritage. Our menus are nutritionally analysed to ensure they meet the School Food Standards required. Across Brighton & Hove we use locally based food providers for our meat products, fruit and vegetables. All of the meats used are UK-based Red Tractor products and are delivered in fresh by local farm-assured butchers, including our farm assured burgers and sausages. Our menu for Brighton & Hove is accredited to the Soil Associations Food For Life Silver standard.

KEEP IN TOUCH

You can keep up to date with what's going on across Brighton & Hove school meals by visiting our web site:

FREE SCHOOL MEALS

Don't forget if your child is in Reception, Year 1 or Year 2, they can enjoy a meal each day without charge, irrespective of income. However, you still need to register if you are entitled to means-tested Free School Meals: this is important and helps school funding.

Low Income - Are you missing out? To check if you are entitled to Free School Meals entitlement ask at your school office or call **01273 293497** for more information. Apply online at www.brighton-hove.gov.uk/onlinefreeschoolmeals

RECRUITMENT

We are always looking for new talented team members. If you are interested in joining Caterlink, or joining our apprenticeship scheme, please visit our web site and get in touch!

ALLERGY INFORMATION

If you would like to know about particular allergens in foods, please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of cross contamination.
